

VISOTONICS PARTNER NON-DISCLOSURE AGREEMENT

*** PLACEHOLDER DOCUMENT - NOT LEGAL COPY ***

This file exists so the partner portal signing flow can be built and tested end to end. It has NOT been drafted or reviewed by a lawyer. Replace it with the real executed NDA before any partner is asked to agree to it, and bump NDA_VERSION in lib/nda.ts when you do.

1. Purpose
2. Confidential information
3. Obligations
4. Duration
5. Return of material
6. No licence

The readable text of each clause is rendered in the portal itself at /client-portal/onboarding/nda - see lib/nda.ts for the source.
